INTRODUCTION

This Information Circular accompanies the Notice of Annual and Special General Meeting (the “Notice”) and is furnished to the shareholders (the “Shareholders”) holding common shares (the “Common Shares”) in the capital of Powertech Uranium Corp., formerly Powertech Industries Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual and special general meeting (the “Meeting”) of the Shareholders to be held at 10:00 a.m. on Friday, June 30, 2006 at 800-885 West Georgia Street, Vancouver, British Columbia or at any adjournment or postponement thereof.

The last annual and special meeting of the Company was held on October 13, 2004. Under section 182 of the British Columbia Business Corporations Act, the directors of the Company were required to call the next annual meeting of the Company no later than 15 months after the holding of the last annual and special meeting. Accordingly, the Company obtained an extension from the Registrar of Companies dated January 26, 2006, extending the time for holding the Meeting until June 30, 2006. The Meeting constitutes the annual general meeting of the Company in respect of the financial years ended March 31, 2005 and March 31, 2006.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.
Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Common Share that such Shareholder holds on May 26, 2006 (the “Record Date”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “Designated Persons”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR CORPORATION (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY.

In order to be voted, the completed form of proxy must be received by the Company’s registrar and transfer agent, Pacific Corporate Trust Company (the “Transfer Agent”), at their offices located on the 3rd Floor, 510 Burrard Street, Vancouver, British Columbia V6C 3B9, or by the Company at the address set forth above, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer, or attorney-in-fact, for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, should accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime, before it is exercised, by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.
Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERs DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY, INCLUDING THE VOTE FOR THE ELECTION OF THE NOMINEES TO THE COMPANY’S BOARD OF DIRECTORS, FOR THE APPOINTMENT OF THE AUDITOR AND FOR THE APPROVAL OF THE COMPANY’S 2006 STOCK OPTION PLAN.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for the determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSP’s, RRIF’s, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.
Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

(a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Transfer Agent as provided above; or

(b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of a one page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Holder’s name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

This year, the Company has decided to take advantage of the provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (VIF) from our Transfer Agent. These VIFs are to be completed and returned to the Transfer Agent in the envelope provided or by facsimile. In addition, the Transfer Agent provides both telephone and internet voting as described on the VIF itself which contains complete instructions. The Transfer Agent will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.
THESE SECURITY HOLDER MATERIALS ARE BEING SENT TO BOTH REGISTERED AND NON-REGISTERED OWNERS OF THE SECURITIES. IF YOU ARE A NON-REGISTERED OWNER, AND THE ISSUER OR ITS AGENT HAS SENT THESE MATERIALS DIRECTLY TO YOU, YOUR NAME AND ADDRESS AND INFORMATION ABOUT YOUR HOLDINGS OF SECURITIES HAVE BEEN OBTAINED IN ACCORDANCE WITH APPLICABLE SECURITIES REGULATORY REQUIREMENTS FROM THE INTERMEDIARY HOLDING ON YOUR BEHALF.

The following Audit Committee Charter was adopted by the board of directors of the Company:

Mandate

The primary function of the audit committee (the “Committee”) is to assist the Company’s board of directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company’s systems of internal controls regarding finance and accounting and the Company’s auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence

Change of Business Transactions

On May 11, 2006, the Company closed several agreements which constituted a “Change of Business” as defined by the TSX Venture Exchange. The closing involved several transactions, four of which involved individuals who were later appointed as directors and officers of the Company following the closing of the transactions. The transactions involved the acquisition of uranium mineral interests in the Dewey-Burdock property, located in Custer and Fall River Counties, South Dakota. Upon the closing of the agreements, the Company commenced the business of acquiring, exploring and developing uranium mineral properties in the Dewey-Burdock property.

Wallace Mays and Richard Clement are officers and members of Denver Uranium. In September 2005, the Company assisted Denver Uranium in obtaining bridge financing in the amount of a loan of US$800,000, which amount was advanced by Greg Burnett and Tom Doyle (the “Loan”), the proceeds of which were used to secure certain mineral releases. The second agreement was entered into on February 20, 2006, when the Company entered into the Agreement of Purchase and Sale with Denver Uranium, Powertech (USA), a wholly-owned subsidiary of the Company, Richard Clement and Wallace Mays. Pursuant to the terms of the Agreement of Purchase and Sale, the Company agreed to purchase all of the assets of Denver Uranium in exchange for the issuance of 8,000,000 Common Shares and the assumption of the liabilities of Denver Uranium, including the Loan, other than liabilities related to tax and to Denver Uranium’s officers and members. Upon receipt of the 8,000,000 Common Shares, Denver Uranium was required to immediately transfer 4,400,000 Common Shares to Wallace Mays and 3,600,000 Common Shares to Richard Clement. All 4,400,000 Common Shares transferred to Wallace Mays and 3,600,000 Common Shares transferred to Richard Clement are subject to a time release escrow by the TSX Venture Exchange. The assets purchased from Denver Uranium included leases of federal claims, private mineral rights and private surface rights covering 11,180 acres of mineral rights and 11,520 acres of surface rights located in the Dewey-Burdock property.

The third agreement was entered into on February 21, 2006, when the Company entered into the Performance Escrow Agreement with Wallace Mays and Richard Clement. If the Common Shares currently held in the time release escrow are released by the TSX Venture Exchange, Wallace Mays is required to transfer 1,100,000 Common Shares of the 4,400,000 Common Shares transferred from Denver Uranium pursuant to the Agreement of Purchase and Sale into a performance escrow. Similarly, if the Common Shares currently held in the time release escrow by the TSX Venture Exchange are released, Richard Clement is required to transfer 900,000 Common Shares of the 3,600,000 Common Shares transferred from Denver Uranium pursuant to the Agreement of Purchase and Sale into a performance escrow. The Common Shares deposited into the performance escrow pursuant to the Performance Escrow Agreement will be released.

Mr. Doyle and Mr. Burnett each hold 125,000 units and Douglas Eacrett holds 100,000 units that were issued in the private placement on January 23, 2006.

**Orientation and Continuing Education**

The board of directors of the Company briefs all new directors with respect to the policies of the board of directors and other relevant corporate and business information. The board does not provide any continuing education.

**Ethical Business Conduct**

The board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the board in which the director has an interest have been sufficient to ensure that the board operates independently of management and in the best interests of the Company.

**Nomination of Directors**

The board of directors is responsible for identifying individuals qualified to become new board members and recommending to the board new director nominees for the next annual meeting of shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company’s mission and strategic objectives, and a willingness to serve.

**Compensation**

The board of directors conducts reviews with regard to the compensation of the directors and the Chief Executive Officer once a year. To make its recommendations on such compensation, the board of directors takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

**Other Board Committees**

The board of directors has no other committees other than the Audit Committee.
Assessments

The board of directors regularly monitors the adequacy of information given to directors, communications between the board and management and the strategic direction and processes of the board and its committees.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, no director or executive officer of the Company, who was a director or executive officer since April 1, 2004, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Common Shares or other securities in the Company or otherwise, in any matter to be acted upon at the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of the Stock Option Plan

On August 21, 2002, the TSX Venture Exchange (the “Exchange”) published its revised Corporate Finance Manual. The policies of the Exchange with respect to incentive stock options (the “Policies”) provide that listed companies may only issue incentive stock options pursuant to the terms of a stock option plan that has been approved by the Shareholders and the Exchange. The board of directors have approved, and recommended that the Shareholders of the Company approve, a rolling stock option plan which reserves a maximum of 10% of the issued Common Shares from time to time for administration and grant of options under the stock option plan. The Policies require that such a rolling plan be re-approved each year by the Shareholders and the Exchange.

Management of the Company believes that incentive stock options serve an important function in furnishing directors, officers, employees and consultants (collectively the “Eligible Parties”) of the Company with an opportunity to invest in the Company in a simple and effective manner and to better align the interests of the Eligible Parties with those of the Company and the Shareholders through ownership of Common Shares. Accordingly, the Shareholders at the Meeting will be asked to consider, and the directors, believing it to be in the best interests of the Company, recommend that the Shareholders approve the Company’s proposed stock option plan (the “Plan”) and the allotment and reservation of sufficient Common Shares from treasury to provide the Common Shares necessary for issuance upon the exercise from time to time of options granted pursuant to the Plan.

The Plan has been prepared by the Company in accordance with the policies of the Exchange and is in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the Plan a maximum of 10% of the issued and outstanding Common Shares at any time, less any Common Shares required to be reserved with respect to options granted by the Company prior to the implementation of the Plan. The Plan will be administered by the board of directors of the Company, or a committee of three directors, if so appointed by the board of directors (the “Committee”). Subject to the provisions of the Plan, the board of directors or the Committee, as applicable, in its sole discretion will determine all options to be granted pursuant to the Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. The board of directors or the Committee, as applicable, will comply with all Exchange and other regulatory requirements in granting options and otherwise administering the Plan. The following is a summary of some of the material provisions of the Plan:
(i) options granted to insiders of the Company as a total in any twelve-month period shall not exceed 10% of the issued and outstanding Common Shares at the time;

(ii) options granted to any one person as a total in any twelve-month period shall not exceed 5% of the issued and outstanding Common Shares at any time;

(iii) options granted to any one consultant to the Company as a total in any twelve-month period shall not exceed 2% of the issued and outstanding Common Shares;

(iv) options granted to all employees, consultants and their associates engaged in investor relations activities for the Company in aggregate in any twelve-month period shall not exceed 2% of the issued and outstanding Common Shares;

(v) options granted shall be non-assignable and not transferable and shall not have a term in excess of five years;

(vi) the exercise price of options granted shall not be less than the closing price of the Company’s shares on the last trading day less any discount permitted by the Exchange, but, in any event, not less than $0.10 per share;

(vii) all options granted shall be evidenced by written option agreements; and

(viii) any amendment to reduce the exercise price of options granted to insiders of the Company shall be subject to approval of the disinterested Shareholders, the majority vote of the Shareholders other than the insiders of the Company.

Pursuant to the policies of the Exchange, the Common Shares underlying any options granted will be restricted from trading for a period of four months from the date of grant of the option. A copy of the Plan will be available at the Meeting for review by Shareholders.

A copy of the Plan is attached to this Information Circular as Schedule A and is also available for review at the offices of the Company at Suite 1205 – 789 West Pender Street, Vancouver, British Columbia, V6C 1H2 during normal business hours up to and including the date of the Meeting.

The directors of the Company believe the Plan is in the best interests of the Company and recommend that the Shareholders approve the Plan. The Plan will be approved if the affirmative vote of at least a majority of the Common Shares present or represented at the Meeting and entitled to vote thereat are voted in favour of approving the Plan. Accordingly, at the Meeting, the Shareholders will be asked to pass the following ordinary resolutions to approve the Plan:

“Resolved that, subject to regulatory approval:

1. the Company’s 2006 Stock Option Plan (the “Plan”) be and it is hereby approved;

2. the board of directors be authorized to grant options under and subject to the terms and conditions of the Plan, which may be exercised to purchase up to 10% of the issued common shares of the Company as at the time of grant;

3. the outstanding stock options which have been granted prior to the implementation of the Plan shall, for the purpose of calculating the number of stock options that may be granted under the Plan, be treated as options granted under the Plan; and
the directors and officers of the Company be authorized and directed to perform such acts and deeds and things and execute all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions.”

Other Matters

Management is not aware of any matters to come before the Meeting other than those set forth in the Notice. If any other matter properly comes before the Meeting, it is the intention of the Designated Persons to vote the Common Shares represented thereby in accordance with their best judgment on such matter.
