2.3 Issuance of Replacement Options

Each Azarga Option outstanding immediately prior to the Closing Time, whether or not vested, shall be exchanged for an option (each a “Replacement Option”) to acquire from Powertech the number of Powertech Shares (the “Replacement Option Shares”) equal to the product of (i) the number of Azarga Shares subject to such Azarga Options immediately prior to the Closing Time and (ii) 3.65, provided that, if the foregoing would result in the issuance of a fraction of a Replacement Option Share on any particular exercise of Replacement Options, then the number of Replacement Option Shares otherwise issued shall be rounded down to the nearest whole number of Replacement Option Shares. The exercise price per Replacement Option Share subject to a Replacement Option shall be equal to the quotient of (i) the exercise price of such Azarga Options immediately prior the Closing Time divided by (ii) 3.65, provided that the aggregate exercise price payable on any particular exercise of Replacement Options shall be rounded to the nearest whole cent and the exercise price shall be further adjusted to reflect the Exchange Rate. ARTICLE 9
ADDITIONAL AGREEMENTS

9.1 Notice and Cure Provisions

9.1.1 Each Party will give prompt notice to the other Parties of the occurrence, or
failure to occur, at any time from the date hereof until the earlier to occur of the termination of this Agreement and the Closing Time of any event or state of facts which occurrence or failure would, or would be likely to:

(a) cause any of the representations or warranties of any Party contained herein to be untrue or inaccurate in any material respect on the date hereof or at the Closing Time; or

(b) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by any Party hereunder prior to the Closing Time.

9.1.2 Powertech may not exercise its rights to terminate this Agreement pursuant to Section 10.2.1(c)(iii) and Azarga may not exercise its right to terminate this Agreement pursuant to Section 10.2.1(d)(iv) unless the Party intending to rely thereon has delivered a written notice to the other Party specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the Party delivering such notice is asserting as the basis for the non-fulfilment or the applicable condition or termination right, as the case may be. If any such notice is delivered, provided that a Party is proceeding diligently to cure such matter and such matter is capable of being cured, no Party may terminate this Agreement until the expiration of a period of fifteen (15) business days from such notice, and then only if such matter has not been cured by such date. For greater certainty, in the event that such matter is cured within the time period referred to herein without a Material Adverse Effect, this Agreement may not be terminated as a result of the cured breach.

9.2 Non-Solicitation

9.2.1 Except as provided for herein, neither Powertech nor Azarga, nor any of their respective subsidiaries, shall, directly or indirectly, through any officer, director, employee, representative (including any financial or other advisor) or agent of such Party or any of its subsidiaries (collectively, the “Representatives”): (i) make, solicit, assist, initiate, encourage or otherwise facilitate the initiation of any inquiries or proposals regarding an Acquisition Proposal; (ii) participate in any discussions or negotiations with any person (other than Powertech or any of its affiliates, in the case of Azarga, or Azarga and its affiliates, in the case of Powertech) regarding an Acquisition Proposal, provided, however, that Powertech or Azarga may communicate with any person making an Acquisition Proposal for the purpose of advising such person that the Acquisition Proposal could not reasonably be expected to result in a Superior Proposal; (iii) approve, accept, endorse or recommend, or propose publicly to accept, approve, endorse or recommend, any Acquisition Proposal, (iv) accept or enter into or publicly propose to accept or enter into, any letter of intent, agreement in principle, agreement, understanding, undertaking or arrangement or other contract in respect of an Acquisition Proposal or (v) make a Powertech Change in Recommendation.

9.2.2 Each of Powertech and Azarga shall, and shall cause their respective subsidiaries and Representatives to, immediately cease and cause to be terminated any solicitation, encouragement, discussion or negotiation with any persons conducted heretofore by it, its subsidiaries or any Representatives with respect to any Acquisition Proposal, and, in connection
therewith, each of Powertech and Azarga will discontinue access to any of its confidential information, and not establish or allow access to any of its confidential information, or any data room, virtual or otherwise, and shall as soon as possible request, to the extent that it is entitled to do so, and exercise all rights it has to require, the return or destruction of all confidential information regarding such Party and its subsidiaries previously provided to any such person or any other person and will request, and exercise all rights it has to require, the destruction of all material including or incorporating or otherwise reflecting any material confidential information regarding such Party and its subsidiaries. Each of Powertech and Azarga agrees that, except as permitted in Section 9.2.3, neither it nor any of its subsidiaries, shall terminate, waive, amend or modify any provision of any existing confidentiality agreement relating to an Acquisition Proposal or any standstill agreement to which it or any of its subsidiaries is a party and each Party undertakes to enforce all standstill, non-disclosure, non-disturbance, non-solicitation and similar covenants that it or any of its subsidiaries have entered into prior to the date hereof.

9.2.3 Notwithstanding Sections 9.2.1 and 9.2.2 and any other provision of this Agreement or of any other agreement between Powertech and Azarga, if at any time following the date of this Agreement and prior to obtaining the Powertech Shareholder Approval at the Powertech Meeting, a Party receives a bona fide, written Acquisition Proposal that did not result from a breach of Section 9.2 or an Acquisition Proposal is made to such Party’s shareholders and (i) its board of directors determines in good faith, after consultation with such Party’s financial advisors and outside counsel, that such Acquisition Proposal constitutes or, if consummated in accordance with its terms, could reasonably be expected to be a Superior Proposal and (ii) in the opinion of its board of directors, acting in the good faith judgment of its board of directors, after consultation with outside legal counsel, failure to take such action would be inconsistent with such board of director’s exercise of its fiduciary duties, then such Party may, in response to a request made by the party making or proposing to make such Acquisition Proposal and provided it is in compliance with Sections 9.2.2 and 9.2.4:

(a) furnish information with respect to such Party and its subsidiaries to the person making such Acquisition Proposal; or

(b) enter into, participate, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist, the person making such Acquisition Proposal;

provided that such Party shall not, and shall not allow its Representatives to, disclose any non-public information to such person: (i) if such non-public information has not been previously provided to, or is not concurrently provided to the other Party; and (ii) without entering into a confidentiality agreement with such person.

9.2.4 In the event a Party receives an Acquisition Proposal or any proposal or inquiry that could lead to an Acquisition Proposal, it shall promptly notify the other Party, at first orally and then in writing within 24 hours, of the material terms and conditions thereof, and the identity of the person or persons making the Acquisition Proposal, and shall provide the other Party with a copy of any such proposal, inquiry, offer or request, a copy of any agreement entered into in accordance with Section 9.2.3 hereof and a copy of any other agreements which relate to the Acquisition Proposal to which it has access, or any amendment to any of the foregoing. The
Party that is the subject of the Acquisition Proposal shall thereafter also provide such other details of such proposal, inquiry, offer or request, or any amendment to any of the foregoing, information regarding the value in financial terms that its board of directors has in consultation with its financial advisor determined should be ascribed to any non-cash consideration offered under the Superior Proposal, and such other information as the other Party may reasonably request and shall keep the other Party fully informed as to the status, including any changes to the material terms, of such proposal, inquiry, offer or request, or any amendment to any of the foregoing, and shall respond promptly to all inquiries from the other Party with respect thereto.

9.2.5 Each Party covenants that it will not accept, approve, endorse, recommend or enter into any agreement, understanding or arrangement in respect of an Acquisition Proposal (other than a confidentiality and standstill agreement permitted by Section 9.2.3) unless:

(a) the board of directors of the Party concludes in good faith the Acquisition Proposal constitutes a Superior Proposal;

(b) the Party has complied with the provisions of Section 9.3;

(c) in the case of Powertech, it has not obtained Powertech Shareholder Approval;

(d) the Acquisition Proposal did not result from a breach of this Section 9.2;

(e) the Party pays any Expenses as and when payable pursuant to Section 9.4 and complies with the procedures set out in Section 10.2.

9.2.6 Nothing contained in this Agreement shall prohibit the board of directors of a Party from taking any action or, in the case of Powertech, making a Powertech Change in Recommendation, or from making any disclosure to any of its securityholders prior to the Closing Time including, for greater certainty, disclosure of a Powertech Change in Recommendation in respect of an Acquisition Proposal, if, in the good faith judgment of its board of directors, after consultation with outside legal counsel, failure to take such action or make such disclosure would be inconsistent with such board of director’s exercise of its fiduciary duties or such action or disclosure is otherwise required under applicable Law (including by responding to an Acquisition Proposal under a directors’ circular or otherwise as required under Securities Laws); provided that, for greater certainty, in the event of a Powertech Change of Recommendation and a termination by Azarga of this Agreement pursuant to Section 10.2.1(d)(i), Powertech shall reimburse all Expenses of Azarga as required by Section 9.4.

9.3 Right to Match

9.3.1 Each Party covenants that it will not accept, approve, endorse, recommend or enter into any agreement, understanding or arrangement in respect of a Superior Proposal (other than a confidentiality and standstill agreement permitted by Section 9.2.3) as contemplated in Section 9.2.5 unless:

(a) such Party (the “Terminating Party”) has complied with its obligations under Section 9.2 and has provided the other Party (the “Matching Party”) with a copy of the Superior Proposal and all related documentation described in
Section 9.2.4; and

(b) a period (the “Response Period”) of five (5) business days has elapsed from the date that is the later of: (x) the date on which the Matching Party receives written notice from the board of directors of the Terminating Party that it has determined, subject only to compliance with this Section 9.3, to accept, approve, endorse, recommend or enter into a binding agreement to proceed with such Superior Proposal; and (y) the date the Matching Party receives a copy of the Superior Proposal and all related documents described in Section 9.2.4.

9.3.2 During the Response Period, the Matching Party will have the right, but not the obligation, to offer to amend this Agreement, including modification of the consideration to be issued or paid to the Azarga Securityholders. The board of directors of the Terminating Party shall cooperate with the Matching Party with respect to the Acquisition Proposal, including by negotiating in good faith with the Matching Party, and shall review any such offer by the Matching Party to amend this Agreement to determine whether the Acquisition Proposal to which the Matching Party is responding would continue to be a Superior Proposal when assessed against the written proposal of the Matching Party. If the board of directors of the Terminating Party determines that the Acquisition Proposal no longer constitutes a Superior Proposal, when assessed against the written proposal of the Matching Party, the Terminating Party shall enter into an amendment to this Agreement with the Matching Party incorporating the amendments to this Agreement as set out in the written proposal, and shall promptly reaffirm its recommendation of this Agreement. If the board of directors of the Terminating Party determines that the Acquisition Proposal continues to be a Superior Proposal, it may recommend that holders of its securities accept such Superior Proposal; provided that it is in compliance with the conditions set out in Section 9.2.5, including by terminating this Agreement and reimbursing all Expenses of the Matching Party pursuant to Section 10.2.1(c)(i) or Section 10.2.1(d)(ii), as the case may be, in order to accept or enter into an agreement, understanding or arrangement to proceed with the Superior Proposal.

9.3.3 Each successive amendment to any Acquisition Proposal that results in an increase in, or modification of, the consideration (or value of such consideration) to be received by the holders of the Terminating Party’s securities shall constitute a new Acquisition Proposal for the purposes of this Section 9.3 and the Matching Party shall be afforded a new Response Period and the rights afforded in Section 9.3.2 in respect of each such Acquisition Proposal.

9.3.4 Each Party shall ensure that the officers, directors and employees of it and its subsidiaries and any financial and other advisors or representatives are aware of the provisions of Section 9.2 and this Section 9.3 and each Party shall be responsible for any breach of Section 9.2 or this Section 9.3 by the officers, directors, employees, financial advisors, other advisors and representatives of it and its subsidiaries.

9.4 Expenses and Expense Reimbursement

9.4.1 Except as otherwise provided herein, all reasonable fees, costs and expenses incurred in connection with this Agreement (collectively, the “Expenses”) shall be paid by the
Party incurring such Expenses.

9.4.2 If an Azarga Reimbursement Event occurs, Azarga shall reimburse Powertech in full (by payment by wire transfer of immediately available funds) all Expenses of Powertech.

9.4.3 If a Powertech Reimbursement Event occurs, Powertech shall reimburse Azarga (by payment by wire transfer of immediately available funds) all Expenses of Azarga.

9.4.4 For the purposes of this Agreement, “Azarga Reimbursement Event” means the termination of this Agreement:

   (a) by Powertech pursuant to Section 10.2.1(c)(iv);

   (b) by Powertech pursuant to Section 10.2.1(c)(v);

   (c) by Azarga pursuant to Section 10.2.1(d)(ii); or

   (d) by Powertech pursuant to Section 10.2.1(b)(i) if prior to the termination of this Agreement, a bona fide Acquisition Proposal, or the intention to make an Acquisition Proposal, with respect to Azarga shall have been made to Azarga or publicly announced by any person (other than Powertech or any of its affiliates) and not withdrawn and within six months following the date of such termination:

      (i) the announced Acquisition Proposal is consummated by Azarga; or

      (ii) Azarga and/or one or more of its subsidiaries enters into a definitive agreement in respect of, or the Azarga Board approves or recommends, the announced Acquisition Proposal which is subsequently consummated at any time thereafter;

provided that, for the purposes of this Section 9.4.4(d) all references to “20%” in the definition of “Acquisition Proposal” shall be deemed to be references to “50%”.

9.4.5 For the purposes of this Agreement, “Powertech Reimbursement Event” means the termination of this Agreement:

   (a) by Azarga pursuant to Section 10.2.1(d)(i), except where the Powertech Change in Recommendation which has led to the termination pursuant to Section 10.2.1(d)(i) was made solely because the Powertech Board, acting in good faith, determined that a change, effect, event or occurrence had taken place that constituted a Material Adverse Effect on Azarga and that, as a consequence, it would be inconsistent with the Powertech Board’s fiduciary obligations to continue to recommend that Powertech Shareholders vote in favour of the Powertech Share Issuance Resolution and the Powertech Consolidation Resolution;
(b) by Azarga pursuant to Section 10.2.1(d)(v);

(c) by Azarga pursuant to Section 10.2.1(d)(vii);

(d) by Powertech pursuant to Section 10.2.1(c)(i); or

(e) by Azarga pursuant to Section 10.2.1(b)(i) or by either Azarga or Powertech pursuant to Section 10.2.1(b)(iii), if, in either case, prior to the earlier of the termination of this Agreement or the holding of the Powertech Meeting, a bona fide Acquisition Proposal, or the intention to make an Acquisition Proposal, with respect to Powertech shall have been made to Powertech or publicly announced by any person (other than Azarga or any of its affiliates) and not withdrawn prior to the Powertech Meeting and within six months following the date of such termination:

(i) the announced Acquisition Proposal is consummated by Powertech; or

(ii) Powertech and/or one or more of its subsidiaries enters into a definitive agreement in respect of, or the Powertech Board approves or recommends, the announced Acquisition Proposal which is subsequently consummated at any time thereafter;

provided that, for the purposes of this Section 9.4.5(e) all references to “20%” in the definition of “Acquisition Proposal” shall be deemed to be references to “50%”.

9.4.6 If a Reimbursement Event occurs, the reimbursement of the Expenses of the applicable Party shall be payable within two (2) business days following the receipt by the terminating Party of an invoice for such Expenses, which shall be delivered as soon as reasonably practicable upon closing of the applicable transaction referred to therein.

9.4.7 Nothing in this Section 9.4 shall relieve or have the effect of relieving any Party in any way from liability for damages incurred or suffered by a Party as a result of an intentional or wilful breach of this Agreement.

9.4.8 Nothing in this Section 9.4 shall preclude a Party from seeking injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or otherwise to obtain specific performance of any such covenants or agreements, without the necessity of posting bond or security in connection therewith.

9.5 Access to Information; Confidentiality

9.5.1 From the date hereof until the earlier of the Closing Time and the termination of this Agreement, subject to compliance with applicable Law and the terms of any existing Contracts, Azarga shall, and shall cause its subsidiaries and their respective officers, directors, employees, independent auditors, accounting advisers and agents to, afford to Powertech and to the officers, employees, agents and representatives of Powertech such access as Powertech may reasonably require at all reasonable times, including for the purpose of facilitating integration
business planning, to their officers, employees, agents, properties, books, records and Contracts, and shall furnish Powertech with all data and information as Powertech may reasonably request.

9.5.2 From the date hereof until the earlier of the Closing Time and the termination of this Agreement, subject to compliance with applicable Law and the terms of any existing Contracts, Powertech shall, and shall cause its subsidiaries and their respective officers, directors, employees, independent auditors, accounting advisers and agents to, afford to Azarga and to the officers, employees, agents and representatives of Azarga such access as Azarga may reasonably require at all reasonable times, including for the purpose of facilitating integration business planning, to their officers, employees, agents, properties, books, records and Contracts, and shall furnish Azarga with all data and information as Azarga may reasonably request.

9.5.3 Powertech and Azarga acknowledge and agree that information furnished pursuant to this Section 9.5 shall be considered confidential information and Powertech and Azarga shall treat such information confidentially and not disclose, and shall cause its Representatives to treat confidentially and not disclose, such information except as required in connection herewith.

9.6 Insurance and Indemnification

9.6.1 Within 30 days of the Closing Date, Powertech will, or will cause Azarga and its subsidiaries to, obtain and maintain in effect without any reduction in scope or coverage for six years from the Closing Date customary policies of directors’ and officers’ liability insurance providing protection in respect of claims arising from facts or events which occurred on or prior to the Closing Date; provided, however, that Powertech acknowledges and agrees that prior to the Closing Date, Powertech may, in the alternative, purchase run off directors’ and officers’ liability insurance for a period of up to six years from the Closing Date with the prior written consent of Powertech.

9.6.2 The provisions of this Section 9.6 are intended for the benefit of, and shall be enforceable by, each insured or indemnified person, his or her heirs and his or her legal representatives and, for such purpose, Azarga hereby confirms that it is acting as agent and trustee on their behalf.

ARTICLE 10
TERM, TERMINATION, AMENDMENT AND WAIVER

10.1 Term

This Agreement shall be effective from the date hereof until the earlier of the Closing Time and the termination of this Agreement in accordance with its terms.
10.2 Termination

10.2.1 This Agreement, other than Section 9.4 hereof, may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing Time (notwithstanding any approval of this Agreement and the Powertech Resolutions by the Powertech Shareholders):

(a) by mutual written agreement of Powertech and Azarga;

(b) by either Azarga or Powertech, if:

(i) completion of the Transactions shall not have occurred on or before the Outside Date, except that the right to terminate this Agreement under this Section 10.2.1(b)(i) shall not be available to such Party whose failure to fulfill any of its obligations or whose breach of any of its representations and warranties under this Agreement has been the cause of, or directly resulted in, the failure of the completion of the Transactions to occur by such Outside Date;

(ii) after the date hereof, there shall be enacted or made any applicable Law that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited or enjoins Azarga or Powertech from consummating the transactions contemplated hereby and such applicable Law (if applicable) or enjoinment shall have become final and non-appealable; or

(iii) the Powertech Share Issuance Resolution shall have failed to obtain the Powertech Shareholder Approval at the Powertech Meeting (including any adjournment or postponement thereof);

(c) by Powertech, if:

(i) the Powertech Board authorizes Powertech, subject to complying with the terms of this Agreement, to enter into a legally binding agreement with respect to a Superior Proposal; provided that, concurrently with such termination, Powertech pays all Expenses of Azarga pursuant to Section 9.4;

(ii) any of the conditions set forth in Section 7.1 or Section 7.2 is not satisfied, and such condition is incapable of being satisfied by the Outside Date;

(iii) subject to Section 9.1, a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Azarga set forth in this Agreement (other than as set forth in Section 9.2) shall have occurred that would cause the conditions set forth in Section 7.1 or Section 7.2 not to be satisfied, and such conditions are incapable of being satisfied by the Outside Date; provided that Powertech is not then
in breach of this Agreement so as to cause any of the conditions set forth in Section 7.1 or Section 7.2 not to be satisfied;

(iv) Azarga is in breach or in default of any of its obligations or covenants set forth in Section 9.2; or

(v) the Azarga Board authorizes Azarga to enter into a legally binding agreement relating to a Superior Proposal;

(d) by Azarga, if:

(i) prior to obtaining the Powertech Shareholder Approval, the Powertech Board fails to recommend or withdraws, amends, modifies or qualifies, in a manner adverse to Azarga, or fails to reaffirm its recommendation of, the transactions contemplated by this Agreement, within five (5) business days (and in any case prior to the Powertech Meeting) after having been requested in writing by Azarga to do so, in a manner adverse to Azarga, (it being understood that the taking of a neutral position or no position with respect to an Acquisition Proposal beyond a period of five (5) business days or beyond the date which is the day prior to the date proxies in respect of the Powertech Meeting must be deposited shall be considered an adverse modification) (a “Powertech Change in Recommendation”);

(ii) the Azarga Board authorizes Azarga, subject to complying with the terms of this Agreement, to enter into a legally binding agreement with respect to a Superior Proposal; provided that concurrently with such termination, Azarga pays all Expenses of Powertech pursuant to Section 9.4;

(iii) any of the conditions set forth in Section 7.1 or Section 7.3 is not satisfied, and such condition is incapable of being satisfied by the Outside Date;

(iv) subject to Section 9.1, a breach of any representation or warranty or failure to perform any covenant or agreement on the part of Powertech set forth in this Agreement shall have occurred that would cause the conditions set forth in Section 7.1 or Section 7.3 not to be satisfied, and such conditions are incapable of being satisfied by the Outside Date; provided that Azarga is not then in breach of this Agreement so as to cause any of the conditions set forth in Section 7.1 or Section 7.3 not to be satisfied;

(v) Powertech is in breach or default of its obligations or covenants set forth in Section 9.2;

(vi) the Powertech Meeting has not occurred on or before June 30, 2014,
provided that the right to terminate this Agreement pursuant to this Section 10.2.1(d)(vii) shall not be available to Azarga if the failure by Azarga to fulfil any obligation hereunder is the cause of, or results in, the failure of the Powertech Meeting to occur on or before such date; or

(vii) the Powertech Board authorizes Powertech to enter into a legally binding agreement relating to a Superior Proposal.

10.2.2 The Party desiring to terminate this Agreement pursuant to this Section 10.2 (other than pursuant to Section 10.2.1(a)) shall give notice of such termination to the other Parties.

10.2.3 If this Agreement is terminated pursuant to this Section 10.2, this Agreement shall become void and of no effect without liability of any Party (or any shareholder, director, officer, employee, agent, consultant or representative of such Party) to any other Party hereto, except as otherwise expressly contemplated hereby, and provided that the provisions of this Section 10.2.3 and Sections 9.4, 9.5, 11.3, 11.6 and 11.7 shall survive any termination hereof pursuant to Section 10.2.1; provided further that neither the termination of this Agreement nor anything contained in this Section 10.2 shall relieve a Party from any liability arising prior to such termination.

10.3 Amendment

This Agreement may, at any time and from time to time before or after the holding of the Powertech Meeting but not later than the Closing Time, be amended by mutual written agreement of the Parties, and any such amendment may, subject to applicable Law, without limitation:

(a) change the time for performance of any of the obligations or acts of the Parties;
(b) waive any inaccuracies or modify any representation or warranty contained herein or in any document delivered pursuant hereto;
(c) waive compliance with or modify any of the covenants herein contained and waive or modify performance of any of the obligations of the Parties; and/or
(d) waive compliance with or modify any mutual conditions precedent herein contained.

10.4 Waiver

Any Party may: (i) extend the time for the performance of any of the obligations or acts of the other Parties; (ii) waive compliance, except as provided herein, with any of the other Parties’ agreements or the fulfilment of any conditions to its own obligations contained herein; or (iii) waive inaccuracies in any of the other Parties’ representations or warranties contained herein or in any document delivered by the other Parties; provided, however, that any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party and, unless otherwise provided in the written waiver, will be limited to the
specific breach or condition waived.

ARTICLE 11
GENERAL PROVISIONS

11.1 Privacy

Powertech and Azarga shall comply with applicable privacy Laws in the course of collecting, using and disclosing personal information about an identifiable individual (the “Transaction Personal Information”). Powertech shall not disclose Transaction Personal Information to any person other than to its advisors who are evaluating and advising on the transactions contemplated by this Agreement. If Powertech completes the transactions contemplated by this Agreement, Powertech shall not, following the Closing Date, without the consent of the individuals to whom such Transaction Personal Information relates or as permitted or required by applicable Law, use or disclose Transaction Personal Information:

(a) for purposes other than those for which such Transaction Personal Information was collected by Azarga prior to the Closing Date; and

11.3 Governing Law

This Agreement shall be governed, including as to validity, interpretation and effect, by the laws of the Province of British Columbia and the laws of Canada applicable therein. Each of the Parties hereby irrevocably attorns to the non-exclusive jurisdiction of the courts of the Province of British Columbia in respect of all matters arising under and in relation to this Agreement and waives any defences to the maintenance of an action in the courts of the Province of British Columbia.

11.4 Injunctive Relief

Subject to Section 9.4, the Parties agree that irreparable harm would occur for
which money damages would not be an adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions and other equitable relief to prevent breaches of this Agreement, any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief hereby being waived.

11.5 Time of Essence

Time shall be of the essence in this Agreement.

11.6 Entire Agreement, Binding Effect and Assignment

This Agreement shall be binding on and shall enure to the benefit of the Parties and their respective successors and permitted assigns. This Agreement (including the schedules hereto) constitutes the entire agreement, and supersedes all other prior agreements and understandings, both written and oral, between the Parties, or any of them, with respect to the subject matter hereof and, except as expressly provided herein, this Agreement is not intended to and shall not confer upon any person other than the Parties any rights or remedies hereunder. Except as expressly permitted by the terms hereof, neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by either of the Parties without the prior written consent of the other Party.

11.7 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

11.8 Counterparts, Execution
