

Agenda  
Thursday, April 05, 2007  
Powertech (USA)  
Colorado Division of Reclamation, Mining and Safety

Introduction

Exploration

Mine Plan Submittals

Sand and Gravel (No later than October, 2007)

Centennial Open Pit (No Later than December 2008)

Indian Springs Insitu Recovery (No Later than December 2008)

Baseline

Atmospheric Resources

Geology

Cores

Soils

Hydrogeology

Surface Water

Groundwater

Vegetation

Wetlands

Riparian

Wildlife

Aquatics

## Proposed Exhibits

Surface and Mineral Ownership Maps  
Surface Structures  
Utilities  
General Site Location  
General Geology  
Site Specific Geology  
Geologic Hazards  
Radiation Survey Map  
Representative Structure Map  
Representative Isopach Maps  
Representative Aquifer/Potentiometric Surface Maps  
Representative Mine Planning Maps  
Facility Plot Plan  
Representative Cross Sections (Geologic, Mineral and Hydrogeologic)  
Bore and Core Hole Location Map  
Groundwater monitoring location maps  
Soils  
Topsoil Management  
Vegetation  
Reclamation Map  
Wildlife  
Cultural Resources  
Land Use  
Transportation  
Water Rights (Surface and Groundwater)
